The Copyright / Trademark Interface Martin Senftleben 2020-12-10 The Copyright/Trademark Interface How the Expansion of Trademark Protection Is Stifling Cultural Creativity Martin Senftleben The registration of cultural icons as trademarks has become a standard protection strategy in the field of contemporary cultural productions and plays an ever-increasing role in the area of cultural heritage. Attempts to register and 'evergreen' the protection of cultural signs, ranging from 'Mickey Mouse' to the 'Mona Lisa', are no longer unusual. This phenomenon – characterized by the EFTA Court as trademark registrations motivated by 'commercial greed' – has become typical of an era where trademark law is employed strategically to withhold or remove cultural symbols from the public domain. In an extraordinary analysis of the clash between culture and commerce, and imbalances caused by protection overlaps arising from cumulative copyright and trademark protection, this book draws attention to the corrosive effect of indefinitely renewable trademark rights and underscores the necessity to safeguard central preconditions for the proper functioning of the copyright system in society at large: the freedom to use pre-existing works as reference points for the artistic discourse and building blocks for new creations, and the need to ensure the constant enrichment of the public domain. Emphasizing how overlapping copyright and trademark protection endangers the proper functioning of intellectual property rights in the literary and artistic domain, the author examines whether the intellectual property system is capable of mitigating the risks arising from cumulative protection. Such issues and topics as the following are treated in depth: the different configuration of intellectual property rights in accordance with different policy objectives and societal functions, in particular the cultural imperative in copyright law and the market transparency imperative in trademark law; problems arising from the registration of cultural icons for use on souvenir and merchandising articles; lack of sufficient safeguards in trademark law against cultural heritage branding; current scope of trademark rights, including the protection of brand value and communication functions, and the deterrent effect of trademark protection on cultural creativity; possibility of a categorical exclusion of contemporary cultural icons and cultural heritage material from trademark protection; development of a strict gatekeeper requirement of 'use as a mark' to prevent unjustified trademark infringement claims; development of robust, culturally based defences against trademark infringement claims; and general guidelines for the regulation of protection overlaps in intellectual property law, based on insights derived from the analysis of copyright/trademark overlaps. Drawing on aesthetic, sociological and economic theories that support initiatives to safeguard the autonomy of the literary and artistic domain and support remix activities of artists, the author suggests sound criteria for identifying signs with cultural significance that should be excluded from trademark registration. The book shows how intellectual property law can make rights cumulation strategies less attractive and avoid the loss of inner consistency and social legitimacy, easing the tension between indefinitely renewable trademark rights and the need to preserve and cultivate the public domain of cultural expressions and other intellectual creations that enjoy protection for a limited period of time, such as industrial designs and technical know-how. Its assessment criteria will assist and enable trademark examiners and judges to identify relevant cultural signs, and its proposals for regulatory responses to protection overlaps in intellectual property law will prove of great and lasting value to lawyers, policymakers, and scholars dealing with intellectual property law.

The Forerunner Jordan Bennett 2007-06-08 The death of a loved one can be very dramatic. And if the death is unexpected it can be even more devastating. In the novel The Forerunner, Edmund Ausmus has lived his life shadowed not only by guilt he has felt since the death of his brother Richard during World War II, but also by the anger he had directed toward his father whom he partly blamed for his brothers death. After a twenty-one year self-imposed exile, Edmund returns to his childhood home in the hopes that by sharing his feelings with his sister Cordelia he might come to terms with his guilt and anger. But the reunion with Cordelia raises more questions than answers when she informs him that Richard never intended on returning from the war, that he wanted to die there. Confused and unsettled by the news,

Edmund embarks on a journey to find the truth concerning his brother's death. Through conversations Edmund has with Cordelia, and by confronting memories of his past, Edmund learns things about his family he never knew. The secrets Edmund uncovers begins to shed light on the reasons some of the events of the past had transpired the way they had. And by delving even deeper into Richards past and by talking with those who knew Richard before the war, Edmund is able to learn the unsettling secret which drove Richard to the choice he made about his life. When his journey is complete Edmund is able to reconcile himself with the past and accept his place in the family he for years had run away from.

An Adele Sharp Mystery Bundle: Left to Murder (#5) and Left to Envy (#6) Blake Pierce 2021-02-17 A bundle of books #5 (LEFT TO MURDER) and #6 (LEFT TO ENVY) in Blake Pierce's Adele Sharp Mystery series! This bundle offers books five and six in one convenient file, with over 100,000 words of reading. In LEFT TO MURDER, a woman is found dead in Bordeaux, murdered against the backdrop of its idyllic wine country, and authorities suspect a connection to a similar murder in Italy—and an active serial killer. FBI Special Agent Adele Sharp, triple agent of the U.S., France and Germany, is called in, the only one with the international expertise—and brilliant mind—to piece it all together. Adele enters the dark canals of the killer's mind, finding clues where others do not, and feels confident she can catch him before he kills again. Until a shocking twist throws all she thought she knew into a tailspin. In LEFT TO ENVY, in the Sistine Chapel, the first tourists of the day look up—and are horrified to find a dead body affixed by ropes to the ceiling. More victims soon appear, strung up in similarly dramatic fashion on other major attractions throughout Europe. Who is killing them? Why? Who will be next? And is FBI Special Agent Adele Sharp—triple agent of the U.S., France and Germany—brilliant enough to enter the serial killer's mind and stop him before it's too late? An action-packed mystery series of international intrigue and riveting suspense, the ADELE SHARP mystery series will have you turning pages late into the night. Books #7-#10 are also available!

The Wartime Nanny Lizzie Page 2020-09-11 The Nazis are everywhere now. We must leave Vienna. It might be that soon our letters won't get out anymore. Can you help, dear sister? Please, ask for us. Send news, and quickly. Please. London, 1938. Sixteen-year-old Natalie Leeman takes the heart-breaking decision to leave her family behind in Vienna and travel to England to join her cousin Leah in service. Natalie is placed with a wealthy suburban family, the Caplins, as a nanny to their energetic six-year-old. At first, Natalie is delighted by the huge house and beautiful gardens, but things aren't as perfect as they seem. While Natalie dotes on their child, she is increasingly wary of Mr Caplin, whose gruff manor and fascist politics scare her. And then there are those still waiting at home – Mama and her two sisters, as well as a blossoming romance with her English tutor that had only just begun. But when Vienna falls under Nazi rule, Natalie begins to fear for her family, especially her vivacious, tomboy little sister Libby. Then rumours of a possible escape route from mainland Europe called the kindertransport begin to swirl – can Natalie help her family escape the Nazis before it's too late? A heartbreaking wartime novel – emotional and unforgettable. Perfect for fans of *The Alice Network*, *The Tattooist of Auschwitz* and *Before We Were Yours*. What readers are saying about *Lizzie Page*: 'Twists and turns that keep you turning the page... I must read one more chapter before I turn out the light for the night... fans who enjoyed *The Nightingale* or *Sold on a Monday* will love this book as much as me. Authentic, heart-tugging and soul-stirring. Be sure to have tissues nearby.' Goodreads reviewer, 5 stars 'Brought me to tears... If you like romantic historical fiction, particularly which is set in wartime, then this is the book for you! This, at times, brought tears to my eyes and equally a warm glow to my heart.' Stardust Book Reviews 'Lizzie Page has gone and done it again with this beautiful, poignant and immensely emotional story... She is by far one of my favourite authors... Lizzie you have blown me away.' Chicks Rogues and Scandals, 5 stars 'I adore Lizzie Page's writing and the way she so brilliantly blends fact and fiction.' Jill Mansell, bestselling author 'Page is a wonderful writer, one that draws me in to the story completely and utterly ... wonderful characters... brilliantly plotted with a delightfully intertwined story, it has the heartbreak of war and a gorgeous love story... fantastic.' Short Book and Scribes, 5 stars 'The story is heartbreaking... This is an all-round excellent read, without a doubt 5 stars from me.' Booking Good Read, 5 stars 'This book was hard to put down... One of the best historical fiction books I've read in a very long time.' Shelly's Book Nook, 5 stars

Fires Forever Burning Paul Hookham 2016-02-19 Rachel Fischer looked out at the Essex marshlands as her train sped towards London's Fenchurch Street station on a hot summer's morning in 1966. She was expecting just another uneventful day at the Polish Embassy, where she worked part-time as a translator. She thought about her parents, Izaak and Rebekah, who she'd last seen on the day before the Krakow ghetto was liquidated by the Nazis in 1943. She had no idea what happened to them and feared the worst. Her search for the truth had proved elusive - until now. She never spotted the man who jumped on the train out of the shadows at the last minute. He sat patiently, one carriage back, awaiting his moment as the final steps of his master plan were being played out. It would certainly not be just another day at the office and by the end of it, lives would change forever.

An Index to Articles Published in The Etude Magazine, 1883-1957, Part 1 Pamela Richardson Dennis 2011-01-01 As America's geography and societal demands expanded, the topics in *The Etude* magazine (first published in 1883) took on such important issues as women in music; immigration; transportation; Native American and African American composers and their music; World War I and II; public schools; new technologies (sound recordings, radio, and television); and

modern music (jazz, gospel, blues, early 20th century composers) in addition to regular book reviews, teaching advice, interviews, biographies, and advertisements. Though a valued source particularly for private music teachers, with the de-emphasis on the professional elite and the decline in salon music, the magazine ceased publication in 1957. This Index to the articles in *The Etude* serves as a companion to E. Douglas Bomberger's 2004 publication on the music in *The Etude*. Published a little over fifty years after the final issue reached the public, this Index chronicles vocal and instrumental technique, composer biographies, position openings, department store orchestras, the design of a successful music studio, how to play an accordion, recital programs in music schools, and much more. The Index is a valuable tool for research, particularly in the music culture of America in the late nineteenth and early twentieth centuries. With titles of these articles available, the doors are now open for further research in the years to come. The Index is published in two parts and sold as a set for \$250.00.

Guide to the Pianist's Repertoire, third edition Maurice Hinson 2001-05-22 "The Hinson" has been indispensable for performers, teachers, and students. Now updated and expanded, it's better than ever, with 120 more composers, expertly guiding pianists to solo literature and answering the vital questions: What's available? How difficult is it? What are its special features? How does one reach the publisher? The "new Hinson" includes solo compositions of nearly 2,000 composers, with biographical sketches of major composers. Every entry offers description, publisher, number of pages, performance time, style and characteristics, and level of difficulty. Extensively revised, this new edition is destined to become a trusted guide for years to come.

Nightmare Movies Kim Newman 2011-04-18 Now over twenty years old, the original edition of *Nightmare Movies* has retained its place as a true classic of cult film criticism. In this new edition, Kim Newman brings his seminal work completely up-to-date, both reassessing his earlier evaluations and adding a second part that assesses the last two decades of horror films with all the wit, intelligence and insight for which he is known. Since the publication of the first edition, horror has been on a gradual upswing, and taken a new and stronger hold over the film industry. Newman negotiates his way through a vast back-catalogue of horror, charting the on-screen progress of our collective fears and bogeymen from the low budget slasher movies of the 60s, through to the slick releases of the 2000s, in a critical appraisal that doubles up as a genealogical study of contemporary horror and its forebears. Newman invokes the figures that fuel the ongoing demand for horror - the serial killer; the vampire; the werewolf; the zombie - and draws on his remarkable knowledge of the genre to give us a comprehensive overview of the modern myths that have shaped the imagination of multiple generations of cinema-goers. *Nightmare Movies* is an invaluable companion that not only provides a newly updated history of the darker side of film but a truly entertaining guide with which to discover the less well-trodden paths of horror, and re-discover the classics with a newly instructed eye.

Random Thoughts Alex Bergman 2017-04-29 It's a wonder to see this magic happen again and again: I find myself spellbound by music. Could words explain the mystery of that? Perhaps. And if I tread carefully and keep alert, I won't miss a simple miracle: the words, committed to paper, suddenly make the prosaic passage of a manuscript come to light. Grow warm, convey the ineffable, and liberate the tender soul of art that dwells in the infinite beyond the cryptic surface of a musical score.

Precipice Nkwentie Nde 2008-04-15 Madam Essin stood watching the young people holding each other. She looked at the young man who was her son. How handsome he looked. When he smiled he had that elusive curve on his lips that reminded her of her husband. She had been unable to resist that curve of the lips even after eight years of marriage. When her husband smiled she had the feeling he was looking down on her in amused condescension. This used to annoy her but she could not resist the charm he exuded. Now here she was an abandoned wife with an estranged son. Her thoughts roved as she watched them, plunging into the past, the present and the future. The girl brought back the past. She wished she could obliterate that past from her life and her son's. In *Precipice*, Susan Nkwentie Nde, in her first novel, has a way of weaving past intrigues and present emotions to keep all guessing about what will be. She opens up her characters for the reader to enter and inhabit their minds and bodies in a compelling story of love and estrangement, happy accidents, quest and survival.

Truth and Metafiction Josh Toth 2020-12-10 Metafiction has long been associated with the heyday of literary postmodernism—with a certain sense of irresponsibility, political apathy, or outright nihilism. Yet, if (as is now widely assumed) postmodernism has finally run its course, how might we account for the proliferation of metafictional devices in contemporary narrative media? Does this persistence undermine the claim that postmodernism has passed, or has the function of metafiction somehow changed? To answer these questions, Josh Toth considers a broad range of recent metafictional texts—by writers such as George Saunders and Jennifer Egan and directors such as Sofia Coppola and Quentin Tarantino. At the same time, he traverses a diffuse theoretical landscape: from the rise of various new materialisms (in philosophy) and the turn to affect (in literary criticism) to the seemingly endless efforts to name postmodernism's ostensible successor. Ultimately, Toth argues that much contemporary metafiction moves beyond postmodern skepticism to reassert the possibility of making true claims about real things. Capable of combating a "post-truth" crisis, such forms assert or assume a kind of Hegelian plasticity; they actively and persistently confront the trauma of what is infinitely mutable, or perpetually other. What is outside or before a given representation is confirmed and endured as that which exceeds the instance of its capture. The truth is thereby renewed; neither denied nor simply assumed, it is approached as ethically as possible. Its plasticity is grasped because the grasp, the form of its narrative apprehension, lets slip.

100 Hits of Classical Music Robert Ginalski 2021-09-30 Do you know the stories behind how the greatest hits of classical music were created? Robert Ginalski discovers the secrets behind world-famous melodies. Even if you're not a classical music lover, you will get carried away by stories that break with the perceived stereotypes of classical music. The reader-friendly style, anecdotes and references to popular culture will rekindle the charm of the classics for you. Bach, Prokofiev, Mozart and Tchaikovsky are all given the author's special attention. Usedom-Marathon Jurgen Michael Grasshoff 2003-10-01 The story starts just before the USEDOM-MARATHON, an international running event on this shallow island in Northeastern Germany near Poland. Spa physician Aloys happens to be a transvestite who frequently pays a public ladies' room a visit. Also the inventor of a diagnostic sonar analyzer, he realizes that the athlete in the stall next door has a fatal heart condition. His attempts to warn Mwama, a striking marathon-ace from the East African island of Zanzibar, fail. An intervention during the race spells disaster by leading to the runner's disqualification and the physician's downfall. Shattered, he secretly takes off for Zanzibar to find the young runner and try to save her life. His decision changes his life forever. Their falling in love, his conversion to his own extraterrestrial version of Islam, his son's following his foot steps, and the events of the 2002 Usedom-Marathon are milestones a reader hardly wants to miss.

Dirk Bogarde David Huckvale 2019-10-16 English actor Dirk Bogarde dominated the films in which he starred. Exploring the tension between his matinee idol appeal and his own closeted sexuality, this book focuses on the wide variety of genres in which he worked, and the highly charged interaction between his life and his roles. Beginning with an expose of

gay life in post-war Britain and his relationship with partner/manager, Anthony Forwood, each chapter explores Bogarde's performances by genre--his juvenile delinquent movies, his military roles, his contribution to Basil Dearden's overtly gay thriller *Victim* (1961), and his "outsider" roles in such films as *The Servant* (1963), *The Fixer* (1968) and *Despair* (1978). Bogarde's "camp" cinema, espionage thrillers and various roles as artists are also examined, along with the misogyny of the Doctor films and his later television work.
