The Everyday Visionary Jesse Duplantis 2008-07-08 One of the world's most humorous and dynamic ministers inspires readers to realize their potential and fulfill their dreams using the power of "determined" thoughts. Life is about dreaming, doing, and enjoying yourself in the process. Sometimes it might seem as if your dreams are just too wildly improbable, or there are too many obstacles standing in your way, or you've missed your window of opportunity. But if those dreams are divinely inspired, hope is far from lost. You just need to know how to visualize the path to your dream to make it a reality. Born a poor Cajun boy in south Louisiana, Jesse Duplantis was a rock musician in his early years and, after a life-changing experience with God, became one of the most candid, and popular, ministers of the Gospel today. For thirty years Jesse Duplantis has demonstrated what life can be when you focus on finding your personal path and nurturing a closer relationship with God and Jesus Christ. Jesse believes God can help anyone to succeed--no matter who you are or where you come from. Weaving visionary-style thinking with powerful life principles and stories from his own life, Jesse shares what destiny really is, how to find yours, and how to avoid letting others kill your joy. You'll also learn about the "Greatest Weaknesses" and "Destiny Killers" that have prevented people from achieving their goals. Other key topics Jesse explores include: • The amazing power of human imagination: God gave it to you for a reason! • The strategic power of "determined" thoughts: Learn to use them and see results. • What to do if you feel it's too late for your dream: God-given dreams have no expiration dates. • Why you can't have what you speak against: Use the magnetic power of words to draw in what you know is yours. • How to overcome discouragement: It's okay to shut the door on negativity. • The big picture: You are important to God, and your dreams and visionary-style thinking may affect future generations. As Jesse says, "Somebody is going to succeed...why not you?" You can experience real joy, fulfillment, and success by following God's path to your dreams!

Understanding and Overcoming Your Emotional Issues-A Biblical Perspective and Solution Waltere Koti 2019-05-09 If you were to watch the news lately, you will notice that opioid addiction has been declared a national crisis as many turn to drugs and other substances like alcohol, marijuana, cocaine, wine, and spirits to control their mind and thought process. Many also turn to psychiatrists to get relief from prescription medication. All these drugs, legal or illegal, have one thing in common: temporal and intermittent control of your feelings, emotions, and mind. A few years ago, while training as chaplain, we had a guest speaker who is a psychiatrist with more than thirty years' experience. She came to give a speech on emotional issues, and I raised my hand and asked her this fundamental question: what causes depression? Her response was, "Cause is unknown." This response troubled me as I thought to myself, if the cause is unknown, then why are millions of people being medicated? This book seeks to answer a fundamental question: are emotional issues like loneliness, fear, anxiety, depression, and suicidal thoughts medical or spiritual issues? Your response to this question will determine where you go for help.

Locating Shakespeare in the Twenty-First Century Gabrielle Malcolm 2012-03-15 The first decade of the new century has certainly been a busy one for diversity in Shakespearean performance and interpretation, yielding, for example, global, virtual, digital, interactive, televisual, and cinematic Shakespeares. In *Locating Shakespeare in the Twenty-First Century*, Gabrielle Malcolm and Kelli Marshall assess this active world of Shakespeare adaptation and commercialization as they consider both novel and traditional forms: from experimental presentations (in-person and online) and literal rewritings of the plays/playwright to televised and filmic Shakespeares. More specifically, contributors in *Locating Shakespeare in the Twenty-First Century* examine the BBC's *ShakespeaRE-Told* series, Canada's television program *Slings and Arrows*, the Mumbai-based film *Maqbool*, and graphic novels in Neil Gaiman's *Sandman* series, as well as the future of adaptation, performance, digitization, and translation via such projects as National Theatre Live, the Victoria and Albert Museum's Archive of Digital Performance, and the British Library's online presentation of the complete Folios. Other authors consider the place of Shakespeare in the classroom, in the Kenneth Branagh canon, in Jewish revenge films (Quentin Tarantino's included), in comic books, in Young Adult literature, and in episodes of the BBC's popular sci-fi television program *Doctor Who*. Ultimately, this collection sheds light, at least partially, on where critics think Shakespeare is now and where he and his works might be going in the near future and long-term. One conclusion is certain: however far we progress into the new century, Shakespeare will be there.

Early Retirement a Roadmap to Success Joe Thomas Potuzak Sr 2010-12 Having retired early in life at the age of 45, back in the late 80's, has been very advantages to me. It gave me the time to devote many thousands of hours to this project and it should be very beneficial to you, as a reader. This book illustrates what has worked very profitably for me in the past and continues to work profitably to this day. In this book, there are valuable tips and some good sound financial and fundamental information. As President of three Corporations and three companies, from 1965 to present day, it has kept me quite busy over time. In the 90's, as Owner, Producer, Director, and Host of a popular Radio Travel Show in southwest Florida, I was quite content. At the time, I felt I had done quite a bit in my life, but I also felt one project was missing. I had been asked many times, how I retired so young, and how I achieved my success in life. So one day in 2004, I said to myself why not sit down and write about it, hence this book. I do say at times, I am really in semi-retirement, very busy having fun. This book was written with good intentions, morals, and family values. As you read on, it is for all to enjoy, from ages 9 to 90. "Early Retirement: A Road Map to Success is a timeless book."
